- Fatigue
- Muscle or body aches
- Headache

- Diarrhea

Please do not come if you (or your family member) have underlying medical conditions that put you at increased risk of severe illness from COVID-19.

We will be meeting outdoors September 20th. Please bring your own chair/blanket to sit on, social distance when possible. **Masks** will be required when socializing, but feel free to remove them when you are seated.

Childcare will be provided at the play structure nearby for families that would like it. If you choose to keep your kids with you at the service we ask that they follow the same restrictions as the adults by maintaining social distance and wearing masks when not seated. Busy bags (that have been quarantined) will be provided for kids to utilize during the service.

If you have a **pending** test and have been at a City Church gathering: notify Paige Sandbulte (paige@sfcitychurch.com or 712-578-8642). She will then inform those who you would have come into contact with at church the previous Sunday. The individual's name will be left out of the message.

If you have a **positive** test: notify Paige Sandbulte (paige@sfcitychurch.com or 712-578-8642). She will then inform the church about the test results. Your name will be shared (with your permission) in this message, so as to better inform everyone.
